FAQ's - To help minimize your time to complete your application, please read these Frequently Asked Questions (for your reference you may wish to print this page).

Can I purchase any permit type?

- This online application order form is for **Full Season Permits** Only. For information regarding all other permit types, visit the OFSC web site at:
<http://www.ofsc.on.ca/Permits/CostPlacementTypes.asp>.
- Please note – there are **no returns and no refunds** for permits purchased from this site.

What are the shipping and handling fees?

- All permit orders placed through this site are charged a \$10 shipping and handling fee for the first permit and an additional \$2 for each of the 2nd and 3rd permits in the same order (maximum 3 permits shipped per order).
- Complete orders will be shipped to the address provided for the first permit.

How secure is this site?

- Like other reputable online transaction sites, the OFSC Online Permit Sales web site is secure, confidential and private. This site and fulfillment process were created to meet Government of Ontario privacy and risk standards.

Why is so much information required in this online application?

- MTO requires this online transaction to include all the same information that is contained in the traditional “paper” application for trail permits.
- As in the paper application, the permit purchaser must acknowledge having read and agreed to all MTO requirements.
- Please note – **this application is NOT your trail permit**. Your permit(s) will be delivered to you following the successful completion and submission of the application.

When will my permit(s) be delivered?

- Following notification to your email address that your transaction is complete, please allow **10-15 business days** to receive your permit(s).
- For your security, your permit delivery will be registered and require a signature on receipt.
- Please note – you will have the opportunity to print details of your transaction for your records prior to leaving the site.
